SOHLS

Sanctity of Human Life Sunday

A day to celebrate the gift of life, remember those lost due to abortion, and recommit ourselves to the protection of humans at every stage of life.

Choices

951 Eastgate Loop Suite 1000
Chattanooga, TN 37411

Pray – for courage for the women and men facing unexpected pregnancies to choose life for their baby and for those on the front lines working to serve them during that vulnerable time.

Spark Awareness – Be a voice for the unborn. Be bold to talk with others about God's desire for his people to live life abundantly. Share with others God's promises about life, redemption, and healing.

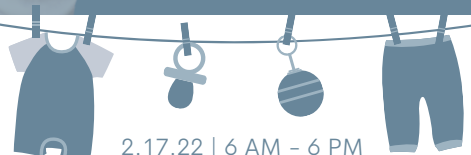

Get Involved – Choices is our local pregnancy center in Chattanooga. Contact them to find ways to get involved. You can be the hands and feet of Jesus to new moms, dads, and babies. Giving financially, volunteering at events and at their center, and even sharing their posts on social media are all ways you can support life.
